#### THE WIZARD OF OZ IS COMING TO BGCF

By: Ariana, Gabby & Alaina

Tokay's Drama Matters students are performing in "THE WIZARD OF OZ" play at BGCF. Staff Crystal is directing the play. The performance will be held in the Almeria Gym. The date will be announced soon! The costumes are going to be GREAT!

The cast is as follows:

*Dorothy: Kaydee Espinoza*

*Lion: Edwin Trujillo*

*Tin Man: Emily Brenes*

*Witch: Diana Velazquez*

*Scarecrow: Amya Ragland*

*The Wizard: Janelle Leary*

The cast is really excited to perform for us!

The Wizard of Oz is about a girl named Dorothy who didn't want her aunt (the Witch) taking her dog named Toto. Dorothy put Toto in a basket and left, but the dog jumped out and ran back to Dorothy. After a while, Dorothy was in her room lying down on her bed talking to Toto and fell asleep. Suddenly, a tornado struck and lifted her house off the ground. Once the tornado died down, Dorothy ventured outside and found that the house fell on top of a Witch and realized she was no longer in Kansas. She was now in the land of Oz, where she met Glinda the Good Witch. Glinda the Good Witch told her that if she wanted to get back home, she must find the Wizard and follow the yellow brick road. Along her journey, she meets a couple of new friends that also need to find the Wizard. She meets a Scarecrow that needs a brain, a Tin Man that needs a heart, and the Lion that needs courage. Dorothy needs to get back home to Kansas. After trials and tribulation through Oz, Dorothy finally finds the Wizard and is able to go home to Kansas. The Wizard granted the Lion with courage, the Tinman with a heart, and the Scarecrow with a brain. When Dorothy awakes from her long nap, she is back home in Kansas.

SMASH BROS. PLAYERS

By: Jude & Issac S.

We interviewed video gamers from Tokay to see what characters they use in Wii's Super Smash Bros. We aren't sure what to expect, but we know for a fact that at least more than one uses KIRBY! We wrote about the most used characters moves and were going to make a pie chart. When they are playing the game, it looks like they love it. We chose to do this because we were wondering what characters the kids in Tokay use.

The characters we thought they were going to use were Mario, Kirby, Toon Link, Ness, and Meta Knight. After interviewing the Tokay gamers, the characters played were Diddy Kong, Meta Knight, and Jiggly Puff. We asked why they chose these characters and this is what they said fourth grader Nathan Sanchez said, he chose Diddy Kong "because of his jetpack". Fifth grader Ariel said, he chose Meta Knight "because he has good moves". Eighth grader Christopher Lopez said, he chose Jiggly Puff "because of her arial game". Sixth grade Isaac's favorite character is Link because he "likes just clicking the same button and making him fly and then die when I spin the sword. When I play with him it is on my Nintendo 2DS cause it's fun just to kill the 2nd player. I use Ness cause it's fun to use his PK thunder because I get to control a thunder ball that moves through the stage.

## TOKAY HAS STYLE

By: Viviana, Precious & Raniel

We asked some kids a few questions about some trending items. Emerie from 2<sup>nd</sup> grade says converse is a trending shoe brand. We also asked 2<sup>nd</sup> grader Jennelle, what item could top off a girl's look, and she said a simple bracelet works. Boys at Tokay have style too. We asked 3<sup>rd</sup> grader George what shoe brand he thought was popular and he said Nike. Next, we asked Ryan from 4<sup>th</sup> grade what shirt design he preferred the most and he said a Nike shirt. Winter outfits that the kids suggested varied from selections like sweat pants as Emerie stated, to Isabell wanting to wear big coats. A spring outfit suggestion was a tank-top stated by Leilani and Michael. Next, lets cover some cool accessories to really make an outfit stand out. A nice hoodie or hat with a video game graphic for the boys. For girls, a cute necklace to top the look off. The girls might wear cute hot pink earrings, or a lovely necklace with a heart for a design. Anyway, there are lots of cool styles to pick from to make an outfit "you". What do you think can spice up a nice outfit for the Spring?

### GATE KIDS @ BGCF

By: Isabella I., Nadia & Anaya

We have two BGCF members in Tokay's Gifted and Talented education program (G.A.T.E.), fourth grade Cesar Chavez and Jeremiah Gonzales. The GATE program at Tokay Elementary school is about gifted students. The gate students took an assessment which based on their score it will show whether they qualify or not. In the program the students learn more information about a certain subject, than an average 4<sup>th</sup> grader. Cesar and Jeremiah enjoy the program and say it's actually pretty fun to be in it.

The Running Club is for the Tokay kids who want to run and have fun every Friday after school. These kids run for exercise and to get their participation medal at the end of the program. Fifth grade Tyler does 15 laps every Friday. Tyler's goal is to run 50 laps.
